Terms of Use

The sounds can be played back using a player in the online database. However, you need a login for display of the player.

The database and the recordings can be downloaded. The download consists of the database information in TXT format and the recordings in WAV format.

If you want to obtain a login for the player display or if you want to obtain the full database, the following restrictions apply:

- The use of the database is limited to scientific purposes only.
- The identity and affiliation of the users must be identifiable.
- Any publication of the results of an investigation must be in open access form.
- Any publication of the results of an investigation must give reference to the corpus (form of citation, see title page of this website).

For a login or a download request, please write an email to: dieter.maurer@zhdk.ch. Please indicate your name(s) and affiliation(s), and the subject of investigation. Subsequently, you will receive a detailed request form.
