Readme

The first version of the Zurich Corpus of Vowel and Voice Quality was published in 2018:

Maurer, D., d'Heureuse, C., Suter, H., Dellwo, V., Friedrichs, D., Kathiresan, T.
(2018): The Zurich Corpus of Vowel and Voice Quality, Version 1.0.
INTERSPEECH 2018 – 98th Annual Conference of the International Speech
Communication Association, September 2-6, Hyderabad, India, Proceedings,
2018, 1417–1421.

When replaced by the second version, the first version was backed up (last update 20 of March 2022).
The backup is accessible here, integrated into the new second version published including the first
version of the handbook, the link to the above paper and the list of the errata/corrections.
